

## Dr. Mahendra Kumar Chandravanshi

Scientist 'D'

<b>Division:</b>	Technology Village
<b>Qualification:</b>	M.Sc (Biotechnology), Ph.D (Biotechnology)
<b>Area of Specializations:</b>	<ul style="list-style-type: none"><li>• Plant Tissue Culture Technique</li><li>• Mushroom Cultivation (Oyster and Button Mushroom) Technology</li><li>• Medicinal and Aromatic Plant Cultivation Technology</li><li>• Beekeeping &amp; Honey Harvesting Technology</li><li>• Vermicomposting and Organic Farming Technology</li></ul>
<b>Current Scientific Responsibilities:</b>	<ul style="list-style-type: none"><li>• Technology Village Program</li><li>• Mobile Van Operation</li><li>• Library Incharge</li></ul>
<b>Contact Details:</b>	E-mail : mahendra.chandravanshi@gmail.com Mobile : +91-9827259464

### Research Publication:

1. P. Sairkar, M. K. Chandravanshi, N. P. Shukla and N. N. Mehrotra. "Mass production of an economically important medicinal plant *Stevia rebaudiana* using in vitro propagation techniques" *Journal of Medicinal Plants Research*, 2009; 3(4): 266-270.
2. M.K. Chandravanshi, Sairkar P.K., Sharma V, Chouhan S., Shukla N.P. and Gautam S.P. "A comparative study of mycoprotein conversion potency of seven different species of *Pleurotus* from various agro-wastes " *International Journal of Agri Science*, 2012; 2(2): 149-160.
