

Title of Project:

Pre- Feasibility Study of Iron Ore PL for Jindal Steel & Power Ltd.

Name of Principal Investigator	Shri P. Kawishwar
Scientific Team	Mr. Navin Kumar Tripathi, Senior Research Fellow Mr. Abhishek Dewangan, Junior Research Fellow Mr. Makhantal Dewangan, Junior Research Fellow Mr. Yudhaveer Singh, Junior Research Fellow
Name of Funding Agency	Jindal Steel & Power Ltd.
Tenure of Project	28/08/2014 to 01/12/2014

Summary of Project:

The Project was under taken in response to request of Jindal Steel & Power that the field staff was unable to undertake field-work in the 1162 ha, area falling under Forest Compartment No. 703 to 713 (Old) of Bailadila Reserve Forest, Bacheli Forest Range.

The study was intended to follow basic principal of "Known-to-unknown" and attempt to identify iron ore exposures and estimate the ore reserves using high resolution satellite data.

As an outcome of the Project Jindal Steel & Power was able to extend the prospecting lease period with all due permissions and initiate drill sampling in the PL area.
