

Title of Project:

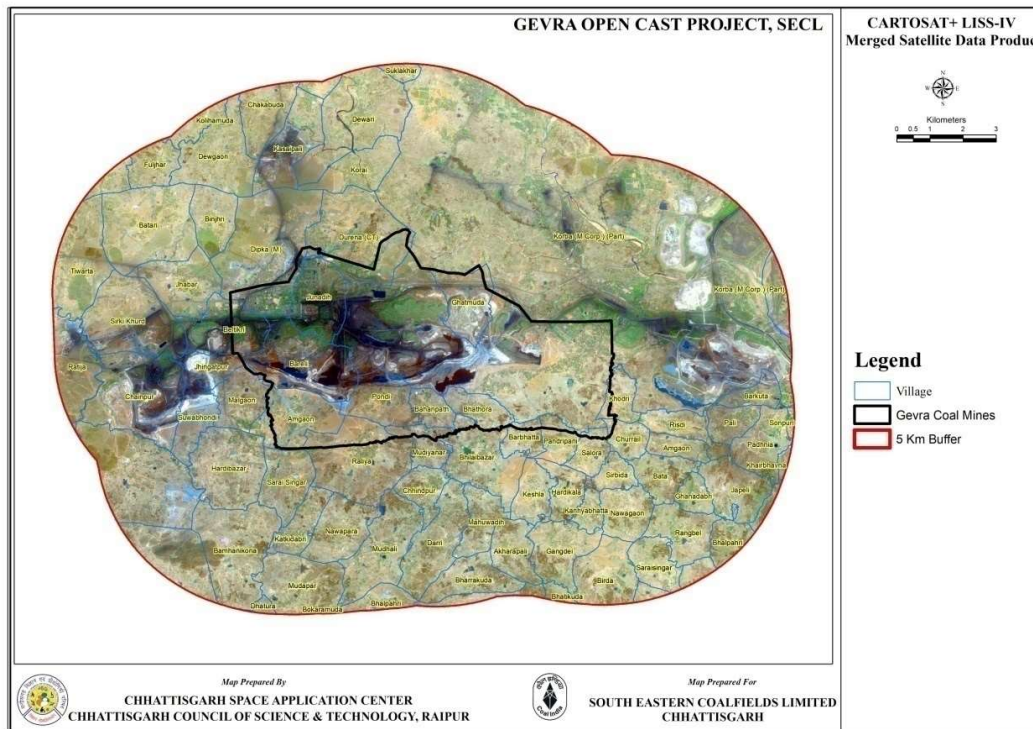

Surface Drainage Plan with Surface Water Conservation Plan for SECL Kusmunda, Dipka & Gevra Expansion Project

Name of Principal Investigator	Shri P. Kawishwar
Scientific Team	Mr. Ram Kamal Bani, Junior Research Fellow Mr. Manoj Kumar Sahu, Junior Research Fellow Mr. Hitesh Malagar, Junior Research Fellow
Name of Funding Agency	South Eastern Coalfields Ltd.
Tenure of Project	02/11/2018 to 30/03/2020

Summary of Project:

South Eastern Coalfields Ltd (SECL) approached the Council to provide technical support and provide relevant inputs for the preparation of forest clearance and environment clearance proposals. Remote Sensing and GIS based inputs are required for the preparation of a comprehensive catchment area treatment plan in the area to arrest flow of silt in the Hasdo River and to improve water regime.

The proposed Action plan shall enable SECL to initiate the Soil and water conservations measures in and around the mine areas.

Gevra Open Cast Project, SECL
