

Title of Project:

Space Based Support for Decentralized Planning (SIS-DP) Project

Name of Principal Investigator

Mr. P. Kawishwar

Scientific Team

Miss Seema Rath, Junior Research Fellow
Mr. Navin Kumar Tripathi, Senior Research Fellow
Mr. Abhishek Dewangan, Junior Research Fellow
Mr. Yudhaveer Singh, Junior Research Fellow
Mr. Makhan Lal Dewangan, Junior Research Fellow
Dr. Tisha Dey, Junior Research Fellow
Mr. Pradeep Kumar Verma, Junior Research Fellow
Mrs. Mamta Mishra, Senior Research Fellow
Mr. Pawan Kumar, Junior Research Fellow
Mr. Kunal Chandrakar, Junior Research Fellow
Mr. Yogesh Chaukade, Junior Research Fellow
Mr. Baburam Mandal, Junior Research Fellow
Mr. Shweta Chaudhary, Junior Research Fellow
Mr. Yagya Dewangan, Junior Research Fellow

Name of Funding Agency

National Remote Sensing Centre, ISRO, Hyderabad

Tenure of Project

Dec 2010 – Mar 2017

Summary of Project:

The Project was targeted to create a reference data for 1:10,000 scale by processing stereo satellite images of the entire State. The reference data is being extensively used in execution of present Projects.

Create enabling environment amongst the development departments of the State to use the thematic data for the implementation / DPR preparation of the development Projects of the State. Products generated in the Project are now freely available for all users on BHUVAN portal of ISRO.

As an outcome of the Project IWMP programme utilized the SIS-DP outputs to execute watershed management programme in the State.
