This MoU will enable the parties to :-

FOSTER research collaboration and consultancy between Chhatisgarh Council of Science & Technology (CGCOST) and SSNAYC&RI)

STRENGTHEN the innovative capacity of SSNAYC&RI and advance industry-driven research and innovation

SET the ground for longer-term Council- SSNAYC&RI partnership in the Chhatisgarh and Odisha State

The parties hereby agree to work in collaboration accordingly to the terms and conditions set out in the articles following hereunder.

ARTICLE-I : BACKGROUND

This MoU will be executed as part of Research Collaboration and also for addressal & facilitation of intellectual Property Rights generated by the faculty, researchers at SSNAYC&RI. CGCOST advances the national agenda for research by extension of the services of Central Laboratory Facility and also facilitation of intellectual Property Rights through its intellectual Property Rights Centre to improve the quality of life or contribute to the development of the State as knowledge-based society.

Such a collaborative program and consultancy is aimed to support SSNAYC&RI research collaboration projects in scientific disciplines and field of application and also facilitate intellectual property related activities at SSNAYC&RI. A key outcome for this MOU will make available new knowledge for the larger interest of the Society both at Chhatisgarh and Odisha State. This collaborative research mode shall also help in understanding research needs of the industry in both the States and thus shall provide key inputs for the academic in SSNAYC&RI to formulate new industry-oriented projects and expand the scope of research in any domain handled by any faculties of SSNAYC&RI.

ARTICLE-II : SCOPE OF THE COLLABORATION

The general purpose of this MOU is to extend the Central Laboratory facilities and facilitate Intellectual Property Rights so as to enable research cooperation between the parties hereunder based upon the principles of mutual benefit and may include the following general cooperation areas :

- 1.1 Consultancy and research activities at CLF and for addressal of IPR and its management on the set norms of the CGCOST.
- 1.2 Exchange of visiting experts and consultants for the purpose of conducting research.
- 1.3 Exchange of scholarly information including indices to theses, books and magazines on relevant subjects (subject to copyright rules) and potential joint projects where possible and appropriate.
- 1.4 Extend invitations for attending scholarly and technical meetings, national and international conferences, held by the respective parties.

ARTICLE-III : THE AGREEMENT

- 2.1 At Chhattisgarh Council of Science & Technology (CGCOST), this MOU will be administered by, *Director General*, CGCOST or his/her authorized representatives. At Sri Sri Nrusinghnath Ayurved College and Research Institute (SSNAYC&RI), this MOU will be administered by *Principal* or his/her authorized representative.
- 2.2 The parties may enter into specific written agreements under authority of this MOU to clarify and define the nature, extent and terms of operation for the proposed collaborations, including availing facilities of CLF and intellectual property ownership issues. However, it is made clear that this MOU
- 2.3 Does not authorize any party to make any financial commitment, unless it is supported by specific approval of the competent authority of each party with MOU on case to case basis.

ARTICLE-IV : GENERAL TERMS

- 3.1 This MOU is not intended to, and does not create any right, benefit, or trust responsibility, Substantive or procedural, enforceable at law or equity, by either party, its officers, employees, or agents against the other party, its officers, employees, or agents.
- 3.2 Nothing in this MOU obligates either party to commit or transfer any funds, assets, or other resources in support of projects or activities between the parties or between one part and a third party unless expressly agreed by independent covenant or order/agreement.
- 3.3 The activities of this MOU must be carried out in accordance with appropriate laws and regulations existing in India.
